

LAX MASTER PLAN SPECIFIC PLAN AMENDMENT STUDY

COMMUNITY MEETINGS

ROUND 2

Los Angeles World Airports is continuing to solicit public input for developing the LAX Master Plan Specific Plan Amendment Study. LAWA was gratified to see the turnout and input given to us at our initial meetings held in March, 2006. As we continue together through the LAX Master Plan Specific Plan Amendment Study, we look forward to hearing from you once again. This coming week, LAWA will host a second set of public meetings to hear your views on how to modernize LAX while reestablishing a good relationship with our neighbors. The next set of meetings will be held on the following dates:

Wednesday, April 19, 2006 6:00 p.m. to 9:00 p.m.

Saturday, April 22, 2006 9:00 a.m. to 12:00 noon

Flight Path Learning Center
Imperial Terminal
6661 West Imperial Highway, Los Angeles
Free parking on site

At these meetings, members of the public will be asked to focus on ways to address traffic and access issues. Attendance is not necessary at both meetings as the same topics will be covered.

For more information you may call 1-800-919-3766. Information on the LAX Master Plan Amendment Study and the presentation from the Round 1 meetings are available at www.laxmasterplan.org under the LAX Master Plan Stipulated Settlement.
