

**LAX MASTER PLAN SPECIFIC PLAN  
AMENDMENT PROCESS  
SOUTH AIRFIELD IMPROVEMENT PROJECT (SAIP)  
COMMUNITY MEETING**

Los Angeles World Airports – LAX will host the first of three meetings regarding the reconstruction of Runway 25L in the south airfield complex. This first meeting will be held prior to the runway closure to focus on the construction schedule, aircraft operations, noise monitoring, and mitigation measures. The second meeting will be during the runway closure and will focus on the interim aircraft noise levels. The third meeting will be after the reopening of the runway and the return to normal operations. The first meeting will be held on:

**Tuesday, July 25, 2006  
6:00 p.m. to 9:00 p.m.  
Imperial Avenue School  
540 East Imperial Avenue  
El Segundo, CA**

*Free parking on site*

*(In front on Imperial Avenue or to the rear off Walnut Avenue)*

The dates for the second and third meetings have not been scheduled.
